

25% OFF SPACECRAFT

INCLUDING ALL PRODUCTS FROM
ICONIC BRANDS KNOLL, VITRA
AND FRITZ HANSEN

Some of the world's most desirable design classics, including the luxurious leather lounge chair and ottoman by Charles and Ray Eames, Arne Jacobsen's 'Egg' chair, and the iconic 'Barcelona' chair by Mies van der Rohe, are now available to buy online at Spacecraft's newly revamped webstore. Spacecraft guarantees that every piece is an authentic and authorised original, competitively priced. As well as a huge gallery of more than 300 designs, Spacecraft also offers a free furniture consultation service to assist you in choosing colours and sizes to suit your space. The website also includes the Iconic Design VIP Club, providing members privileged discounts, competitions and insider info on upcoming sales and furniture events.

To celebrate the launch of its new-look website, Spacecraft is offering ELLE Decoration readers a 25 per cent discount, plus free p&p to addresses in London and the Home Counties, on all orders made before July 15, 2009.
